Patchwork / Sewing – Topics / dates and cover portrait 2026

Each issue of **PATCHWORK** magazine inspires readers with 20 to 35 creative patterns to recreate – designed with the latest fabrics and tailored to the seasons. It also features inspiring new products, exciting book recommendations, and the latest event listings. A practical, full-size worksheet makes recreating the patterns particularly easy.

PATCHWORK PROFESSIONAL aims to inspire its readers and encourage them to experiment and develop their skills. We introduce new techniques and showcase works by selected artists. **New** this year is that we will also be reporting regularly on the fascinating world of **machine embroidery**. Machine embroidery has a lively fan base and is widely practiced. Other content includes: current product information, book recommendations, a reader forum, and event listings.

Nähen & Patchwork is characterized by a multitude of appealing and inspiring sewing ideas. With detailed step-by-step instructions, projects can be reworked very easily. Includes worksheet with patterns in original size.
